School Happenings

End of Summer Picnic: It was great to see so many families at our 'End of summer picnic' this week. Thank you to our parent 'Connect' group for organizing this and helping it to be a fantastic time of 'connection' for families. We are very fortunate to have such a great community.

School Reports: These come home next Friday. This will be an opportunity to read through it with your child and talk to them about their learning.

Learning Conferences: These are scheduled for Wednesday April 10. Bookings for these will be made online and information about this will be in next weeks newsletter.

School will **close** at **12.30 pm** on **Wednesday 10 April** for conferences.

SAUSAGES AND SAVELOYS AVAILABLE FOR FRIDAY LUNCHES: Sausages and Saveloys are available to **purchase outside Room 7** for \$1.50 each on Friday mornings prior to the start of school.

School Pool Closed: If you have had a school pool key over the summer, please return it to the school office before **Friday 29th March**.

Students Before School A reminder to parents that students are unable to be dropped at school before 8:30am.

Stomach Bugs. Stomach bugs are currently in the school community. To stop the spread of these please stay away from school until it has been 48 hours since your child last vomited and a minimum of 48 hours for diarrhoea

Ranzau School on Facebook: Clear and timely communication is always important and we have created a school facebook page as another way of doing this. If you are a Facebook member then simply search Ranzau School and then 'like' our page to receive our regular communication.

We also have a school app that is available to download for free

Lost Property – Please name your children's clothing and shoes. This continues to be a major issue. We believe that the responsibility for looking after clothing belongs with the children themselves. Please check the lost property before the end of the term.

Attendance: Important Notice: At Ranzau we use electronic attendance registers. Electronic registers have many more options. If students are absent we can mark them as sick, justified absence, unjustified absence or truant. If we have no explanation, the only option we have is to mark a student truant. This includes phoned notifications that do not give an explanation. So when you phone the office or leave a message, it would be helpful if you can explain the reason for the absence. This way, we will be able to better analyse attendance patterns.

School Newsletter: For ease you can receive these via your email, sign up on our school website
