School Happenings

Welcome to: Jacob Flowerday who started at Ranzau School this week

Cluster Cross Country: Our cluster event was held this week in tricky conditions at Rabbit Island. A highlight was the way students persevered, supported and encouraged each other. Congratulations to Jack Bay 5th, Jake Cederman 7th, Harry Benbow 9th (Y5 boys), Isabella Gapes 7th (Y5 girls), Zac Sampson 2nd, Jayden Coetzee 4th, Cody McPherson 7th (Y6 boys) and Enna Soutar 6th, Gemma McGee 7th (Y6 girls) gaining our best individual places. In the teams our Year 5 boys came 2nd, our Year 6 boys came 1st and our Year 6 girls came 3rd. Some of these runners will compete again next Friday in the regional competition.

40 Hour famine: Congratulations to all of our students who participated in the 40 Hour Famine. It is great to have so many 'Responsible Community Members' who gave something up to help others in need. **All monies raised and sponsorship booklets are to be returned to the office by 28th June could all outstanding booklets and funds raised please be returned.**

Carpark Safety We all have a part to play in making the road and carpark safe for our children but sadly, we often see parents who do not take this responsibility seriously. Parking outside designated parks at the church, driving into the school driveway and dropping children off and parking on yellow lines are a danger to our students. Please, where possible, use the painted church car park and walk your children across to school.

Future Planning At the moment we are planning for our school and your child's future. As part of this we look at our school structure and class organization. To help us with our planning we would like to know of any families who may be considering enrolling students at Ranzau over the next 12 to 24 months. If you know of any families who may be in this situation please ask them to contact the school before the end of the term.

Lost Property – Please name your children's clothing and shoes. This continues to be a major issue. We believe that the responsibility for looking after clothing belongs with the children themselves. Lost property that has been around for more than a week will be sent away.

Keeping Healthy. With the colder weather upon us it is a timely reminder about wrapping up warm and taking good care of ourselves. If your child is unwell please keep them at home as this stops the risk of it being spread throughout the class and school. Also, stomach bugs are currently in the school community. To stop the spread of these please stay away from school until it has been at least 24 hours since your child last vomited.
