## School Happenings

**A special welcome** to: Archie Hardaker who has started recently at Ranzau School

**Carpark Safety** We all have a part to play in making the road and carpark safe for our children but sadly, we often see parents who do not take this responsibility seriously. Parking outside designated parks at the church, driving into the school driveway and dropping children off and parking on yellow lines are a danger to our students. Please, where possible, use the painted church car park and walk your children across to school.

**Future Planning** At the moment we are planning for our school and your child's future. As part of this we look at our school structure and class organization. To help us with our planning we would like to know of any families who may be considering enrolling students at Ranzau over the next 12 to 24 months. If you know of any families who may be in this situation please ask them to contact the school before the end of the term.

### Learner Qualities: Question

*"To be inquisitive and ask quality questions to help us find out what we want to know."*

When we **question** in our learning we are showing an interest in what we are learning about. We question to find out: what we need to learn next, how we can improve and what information or skills might we need to help us develop.

Please feel free to use this language with your child and to ask them about our learner qualities. The more our students are able to understand what learning is and what it looks like, the more successful they will be at it.

**COMMUNITY COUNCIL** This term the community council will be organising a **Ranzau's Got Talent** show. On **Monday 27<sup>th</sup> August** members of the community council will come around each classroom with a sign up sheet. Ranzau's Got Talent will be **held at lunchtimes from Monday 3<sup>rd</sup> of September**. It would be great if over the weekend parents could have a conversation with their child regarding the talent show to get them thinking of ideas to showcase their talents.

**School Banking:** It is important for students to learn about how to save money from an early age. Ranzau, in association with ASB, have a school banking programme. Students are able to do school banking every Wednesday. Simply fill in the deposit slip and with the money hand it into the office before school

**Stomach Bugs.** Stomach bugs are currently in the school community. To stop the spread of these please stay away from school until it has been 24 hours since your child last vomited.

**A thought for this week:** "Family Game Night – Games have a way of scaffolding some great talk and some great laughs. It's an excellent way for people's unique personalities to show through." – Parenting Magazine

Families are encouraged to borrow books from our school library. We have a specialized section just for parents. You are welcome to come in and make use of the available resources.
