School Happenings

Book Week Book Week has been fantastic! Well done to all the students and teachers. A special thank you to all the wonderful parents who came and read at assemblies throughout the week. The students loved it. Today we had our dress up day, with a lot of terrific book characters. The students had a parade and shared their book week creations with other classes.

Curriculum Evening Thank you to all the families for coming along to our evening. Also, thank you to the teachers for all their hard work. It was great to receive your feedback. This will help us moving forward.

200 Nights Congratulations to all the students who have reached 200 nights. It has been terrific to recognise their achievements at assemblies over the past two weeks.

Tree Planting Our senior classes spent a morning planting trees down near the blue bridge at the Wairoa River. It is great to see Ranzau continuing their involvement in council and community projects. Next time you walk or bike around the two rivers take note of the trees! Many of them have been planted by Ranzau students over the past few years

Headlice We have purchased an electronic headlice comb. This is kept in the office and can be borrowed to use onsite, in the sick bay. It will be sterilised between uses. See Janine or Sandra if you wish to use it.

Quote of the week "Once you learn to read, you will be forever free." —
Frederick Douglass
