School Happenings

This is our final newsletter for 2018. It has been another very successful year at Ranzau School and you can be very proud of what our / your children have contributed and achieved during 2018. We hope you have a wonderful summer break with your families and we trust that you manage to find time to do some special family things.

A special farewell to those families whose association with the school ends this year. Thank you for all your time and input. We wish you well.

Season's greetings from the team at Ranzau.

School Production: Not long to go until our BIG show. We are running two performances again this year. Both are on **Wednesday 12 December**. The matinee is on at 1.30 pm and the evening show at 6.30 pm. The **evening show** has **sold out**, but there are still Matinee tickets available at the school office. Tickets cost \$5.00 per person payable at the office. No online payments sorry.

Thursday 13th December: School will start a little later on that day as many of our younger children will be very tired after all the rehearsals and performances. **School will start at 10 am.**

Library closed for 2018 The **school library is closed**. Please make sure your child has returned all their school library books. Ask them to check under beds, on shelves and in bags for those lost books.

Summer Swimming: This year we are opening our school pool to our community over the summer holidays. **We still have keys available** at a cost of \$50 per key. If you are interested in getting a key please see the office for more information.

Volunteers Needed - School Safety Check: Are you are able to help Sandra carry out the school safety check. This would only require you to be available on the last Monday of the month between 8.30-9am. Safety check team members will be on an alternating roster so you wouldn't need to help every month. If you are able to help or require more information please see Dave or Sandra at the office.

End of Year: Our final day for 2018 is **Friday 14th December**. Our final Year 6 assembly is scheduled for 12.00 noon. **School closes at 12.30 pm.**

School will be open again on Monday 17 December until 12pm. Students who attend will assist with final packing up, including relocation of resources, re-organisation of rooms and general tidying. Attendance is not compulsory.

Term 1 2019: The first day for students next year is **Wednesday 30th January**. Our **school office will be open on 25th January** from 10am -12pm

Swimming Lessons: In **term one** next year all of our students will travel by bus to the **Aquatic Centre** in Richmond for ten swimming lessons. The swimmers will be assessed, grouped and given lessons by the Swim Magic instructors. This will be a great support to our school programme and gives students the opportunity to make progress working in such small groups and in ideal conditions.

The ten-lesson swimming programme and the transport is heavily subsidised by the Kiwisport funding initiative and the school. The **cost per student will be \$40**. Payments can be made online or at the office. All **payments to be received by 8th February 2019**.
