## School Happenings

**Net Safe Parent & Whanau Evening:** As young people begin to spend more time online, it's important that parents start to teach them how to stay safe. So, how do you get started? This session is for parents of kids of all ages – from preschool to teenagers. This session will look at how parents/whānau can support and enable children and young people to navigate online opportunities, challenges and complexities.

**Early School Finish:** Next Friday 22 March the teachers from Ranzau School will be attending a NZEI Te Riu Roa paid union meeting. The normal school day will **finish at 12:30pm on Friday 22 March**. Please see the attachment for more information.

**School Photographs** These are scheduled for this coming Tuesday morning. It would be great to have full attendance that day so as to make our class photographs complete. Please leave your name at the office if you would like your children photographed together by Tuesday.

**Cluster Swimming Sports** Yesterday 30 of our senior students participated in our Waimea South swimming sports. All students participated well and we can be proud of their efforts. Congratulations to all swimmers, especially those who made a final, in particular Artie Selwyn (1<sup>st</sup> Y4 backstroke), Quentin Witehira (1<sup>st</sup> Y4 breaststroke), Will Bay (3<sup>rd</sup> Y6 freestyle), Cody McPherson (3<sup>rd</sup> Y6 breaststroke) and our Year 4 relay team (3<sup>rd</sup>).

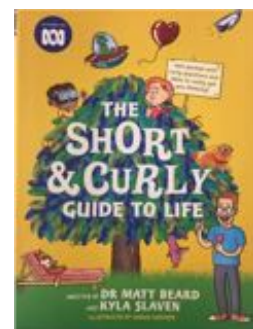

**School Pool Closed:** This week was the last week for students swimming at our school pool. If you have had a school pool key over the summer please return it to the school office before **Friday 29<sup>th</sup> March**.

Unfortunately we still have some outstanding swimming payments. The cost per student is \$40. **All Outstanding payments are now overdue.** Payments can be made at the office or online with family name and swimming as a reference.

**Students Before School** A reminder to parents that students are unable to be dropped at school **before 8:30am**.

### **New to the Parent Section of our school library:**

This book is an imaginative and adventurous look at some of life's biggest and trickiest questions. It is a great discussion guide to use with older children. This book includes topics such as lying, fairness, friendship and integrity. Each topic has a scenario and accompanying questions to promote discussion. **Remember that each FAMILY has their own library barcode to issue books.**
