School Happenings

School Photographs: It was great to have everyone smiling for our photos this week. The photographer hopes to have ordering details out before the end of the term.

Jump Jam: It was fantastic to have Brett Fairweather, the creator of Jump Jam, visit Ranzau this week. He was impressed by everyone's energy and enthusiasm! *Mahī pai!*

End of Summer Picnic: This is scheduled for WEDNESDAY 27 March, 5:30-6:30. Bring your picnic dinner with you and connect with other Ranzau School families.

SAUSAGES AND SAVELOYS AVAILABLE FOR FRIDAY LUNCHES: Sausages and Saveloys are available to **purchase outside Room 7** for \$1.50 each on Friday mornings prior to the start of school.

School Pool Closed: If you have had a school pool key over the summer, please return it to the school office before **Friday 29th March**.

Students Before School A reminder to parents that students are unable to be dropped at school before 8:30am.

Stomach Bugs. Stomach bugs are currently in the school community. To stop the spread of these please stay away from school until it has been 24 hours since your child last vomited and a minimum of 48 hours for diarrhoea

Ranzau School on Facebook: Clear and timely communication is always important and we have created a school facebook page as another way of doing this. If you are a Facebook member then simply search Ranzau School and then 'like' our page to receive our regular communication. We also have a school app that is available to download for free

Lost Property – Please name your children's clothing and shoes. This continues to be a major issue. We believe that the responsibility for looking after clothing belongs with the children themselves. Please check the lost property before the end of the term.

Did you know? There are 40 teaspoons of sugar in a 1.5 litre bottle of Coke Fizzy drinks; fruit juices; sports and energy drinks and many ice blocks also have large amounts of sugar in them. The World Health Organisation recommends children consume a maximum of 3 teaspoons of sugar/day. Water and milk are the **best drinks for children**.

HAVE YOU DOWNLOADED OUR SCHOOL APP YET?

NEVER MISS IMPORTANT SCHOOL INFORMATION AGAIN!
