School Happenings

This is our last newsletter for Term 2. It has been a historical term that has had many firsts. We would like to take this opportunity to thank you, our whānau for your partnership and support. I hope everyone has a great holiday and that you get the chance to do at least one special family thing over the break. School starts again on **Monday 20 July** at 9:00am.

End of an Era Today is the end of an era for the school newsletter as we know it. Starting next term we are moving to a digital format for the newsletter on a fortnightly basis. Newsletters will come straight into your email inbox each fortnight as well as being available on our school website and app. One of the many benefits, other than just the environmental aspect, of going digital is that we will be able to use media in more engaging ways to share the wonderful things that are happening in our fantastic school. There will still be paper copies available from the office if requested.

Cluster Cross Country Our Waimea cluster event was held this week at Rabbit Island. A highlight was the amazing effort and learner qualities all students displayed. Congratulations to Jake Cederman 2nd, Jack Bay 4th, Lucas McPherson 6th & Levi Kernot 10th (Y5 & U Boys); Harry Benbow 3rd, Max Murdoch 5th & Gabriel Sandford 10th (Y6 Boys). Our teams also did very well with the Y5 boys 1st, Y6 boys 2nd and Ranzau School placing 2nd overall. *Mahi pai!*

Big BRIGHT Buddy Book Bonanza Today, as a fun way to finish off a truly unique term we had a 'BRIGHT' day. Thank you for the fantastic support of this event and we raised \$228.10 to support the World Vision 40hr Famine.

40 HOUR FAMINE

Our Place This term our inquiry focus has been on 'Our Place' – What people or places are important to us, our community and nation. It has been wonderful to see the student engagement and depth of learning that has taken place and the creative sharing of it this week. These student lead ideas will be the basis of us developing names for our teams and learning spaces.
