## School Happenings

**WIS Visit** We had Waimea Intermediate visit our Year 6 students this week. This was our first step in transitioning our students to WIS next year. Each student received a prospectus and enrolment form. These need to be returned to the office by Monday 16 September.

**PJ Day Fundraiser** A massive thank you to the Ranzau School Community for supporting Helping Nelson Families! Also, thank you to Kirsty and the Community Council leadership group for helping us run this fundraiser.  
**84 PJs donated and over \$130 raised.**

**Connect Parent Morning Tea** There will be a coffee morning next Friday 9th August after the morning assembly at the café across the road at the Hope Community Church. This is for any parents new or existing who wish to connect with other parents in a very informal way. We would love to see you there.

**Learner Qualities: Set Goals** "What do you want to achieve and how will you know when you have done it?" At Ranzau we spend a lot of time looking at what it means to learn and what the qualities of good learning are. This term we are developing our skipping as part of our exercise time. This is another opportunity to develop our Ranzau Learner Qualities. This week it has been great to see students **setting goals** and working towards achieving these. It has also been great to see our older students supporting our younger students with their skipping goals.

**Quote of the week** Don't worry that children don't always listen to you; worry that they are always watching you. *Robert Fulghum*
