School Happenings

This is our final newsletter for term 3. I have very much enjoyed my role this term as Acting Principal. My time in the big seat has once again confirmed for me what a fantastic school we have. Thank you to our students, families and staff for a great term. I'm looking forward to a super term 4 back with our senior students. I hope everyone has a terrific holiday and some special family time. Term 4 begins on Monday 14th October.

Learning Conferences: These are scheduled for **Wednesday 25 September** from **1.45 pm**. Bookings for these can be made online. To book a time go to www.schoolinterviews.co.nz Our Event Code is **gxtnw**

School will close at 1:30 pm. If you do not have access to a computer, we can help you at school. Just call in and see Janine at the office. The purpose of the Learning Conferences is to put the student in the driving seat to share their learning with their parents or caregivers. Successful conferences should enable the students to be better learners, teachers to be more informed and give parents the tools to have better conversations about learning with their children.

Rock da House Congratulations to our Rock da House performers! What a terrific night! Thank you to Michelle and Jenna for supporting the team.

Sue No Child Left Inside Sue has once again run the No Child Left Inside programme this term. She does a terrific job and was recognised by the students of Room 4 & 5 this week. They put on a performance, gave her a special book and presented Sue with a magnificent 'Super Sue' cape. Mahi pai, to Rooms 4 & 5 for your efforts. You made Sue's day!

Reading Quiz Well done to the Ranzau Rockin' Readers (Liam McPherson, Riley Fielding, Jaxon Rainbow and Toby Watkinson), who competed in the Inter-School Quiz at the Richmond Library.

Skiing Competition Lachy McGillivray, Juliette McGillivray, Max Murdoch, Georgia Murdoch, Amelia Hardman & Keegan Hardman competed in the Inter-School Skiing competition on Wednesday at Rainbow Ski Field. We eagerly await your results.

Head Lice Please check your child's/children's hair for head lice. It is important to understand the life cycle of head lice in order to deal with them. The Ministry of Health has provided us with brochures. They are available on the table in the office foyer.
