School Happenings

Level 2 Reminders Wherever possible, please drop your children off rather than coming into school, or even better, have your child bike, scooter or walk to school to avoid congestion.

Parents are **not** allowed in learning spaces or on decked areas.

Please keep your drop off/ pick up to **under 15 minutes** and also ensure you maintain physical distancing, following the necessary hygiene protocols.

Library Open It is exciting to announce that our school library reopened again this week. It was fabulous to see so many students excited to get back into the library and enjoy the many things that it has to offer. A reminder that each family has a barcode and we have a parents section in our library.

Term 1 Reports and Learning Conferences Reports come home today. Our reports were completed by staff prior to lockdown and as you can appreciate a lot has happened since this time. These reports will form a good basis of discussion around how your child is doing now. Learning Conferences are scheduled for next Thursday June 4. Bookings for these will be made online. The direct link to bookings is below. If you have any problems please see the team in the office.

Bookings: www.schoolinterviews.co.nz and enter the event code **3p3vs**

School will **close at 12.30 pm on Thursday June 4** for conferences.

We recognize that people are getting back to work and into a normal life pattern. If you are unable to organize your child to be picked up we will be running a programme at school until 3pm to support them while the Learning Conferences are taking place. If you would like to register your child for this please email Janine at office@ranzau.school.nz

New School Shirts We are excited to announce, after our consultation at the end of last year, we now have our new school shirts.

Over the next two weeks students will be checked for sizing. Ordering information will be sent home in two weeks with the newsletter if you would like to order one.

A reminder that our shirts are optional and students will still be allowed to wear our old school shirts until the end of 2021.

Fuel For Schools A HUGE thank you to South Fuels who through their 'Fuel for Schools' programme donated two new chromebooks and headphones to our school this week. Also thank you to ... who support our school by being part of this programme.
